

# Enable the Parent Portal

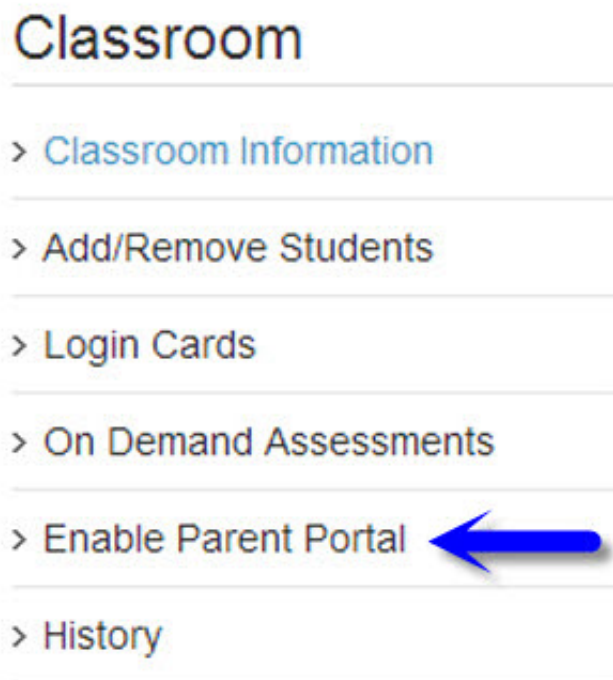

Teachers must provide login information to the parents or guardians of students. Here are instructions on how to provide login information.

\*It is necessary to be [logged into the Report and Management Web site](#) to complete this process.

1. After logging in, select the [Classroom](#) tab at the top of the page. The screen will open to the most recently viewed classroom if multiple classrooms can be seen. A different classroom may be selected at the top of the screen by using the drop-down menu where the class title is listed.

2. In the left menu, select **Enable Parent Portal**.

2. Choose **Select All** or select individual students to enable parents to log into the Istation Parent Portal Web site from home and see limited reports and resources using their student's Istation account.

**NOTE:** If the message "cannot enable" appears, then the password does not meet the minimum requirements. To change the student's password, click the **change password** link provided. Changes should be made in accordance with district preferences. If unable to change a student's password, please contact [Istation Support Services](#).

# Enable Parent Portal

This classroom has the opportunity to enable parent participation at home. Parents will have access to the Student Summary Handout and the Skill Growth Detail reports.

### Steps to take:

1. "Select All" or select individual students listed below to enable parents to log into Istation Report Web site from home to see Limited Reports and Resources using their student's Istation account.
2. Click "Update".
3. [Print a letter for students to take home to their parents.](#)

### Password Information

Because of the confidentiality of student data, there are password requirements on student accounts.

For example:

- Students in the class cannot share the same passwords.
- The word "password" is not allowed.
- The password cannot match the username.

If you see a message below that says "cannot enable" use the link provided to change the password of that student.

Name	Enable Parent Portal	Notes
	<input type="checkbox"/> Select All	
Thompson, Joe	cannot enable	Password does not meet minimum password requirements. <a href="#">change password</a> <b>Note:</b> This student will use the new password.
Moore, Derrick	<input type="checkbox"/>	
Nyugen, Cho	<input type="checkbox"/>	
Rodriguez, Maria	cannot enable	Password does not meet minimum password requirements. <a href="#">change password</a> <b>Note:</b> This student will use the new password.

Update

2. Click **Update**.
3. Then click **Print a letter for students to take home to their parents.**
4. Mark the checkboxes for chosen students and click **Create Parent Letters**.
